

Western Australian Autism Diagnosticians' Forum Inc.

Booklet Available:

"The Diagnostic Process for Children, Adolescents, and Adults Referred for Assessment of Autism Spectrum Disorders"

Parents / Families, do you need to know:

- what you need to do to have your child / family member assessed for an Autism Spectrum Disorder?

Professionals / Organisations, do you need to know:

- how to refer a client on for an Autism Spectrum Disorder assessment?
- how to support your client and their family through the steps of getting an Autism Spectrum Disorder assessment completed?
- what benchmarks are available in the area of Autism Spectrum Disorder assessments?
- how to access training to become an ASD assessor?

Finding out the process for assessment of Autism Spectrum Disorder within Western Australia can often be a complex and difficult task for both parents and professionals. WAADF, Inc has developed a booklet, available in two versions, to help demystify the process as it currently stands within Western Australia.
